

**Master of Science in Education Fully Online Program
Family & Consumer Sciences Education, K-12
Professional Certification Program**

Admission Requirements:

1. An average of B (GPA of 3.0) or better in the undergraduate major.
2. Must hold an Initial Certificate in any content area.

Maintenance Requirements:

1. Students must maintain a B (GPA of 3.0) or better in the program.
2. Students must purchase a Chalk and Wire account where assignments from courses are submitted for evaluation as part of the CAEP Accreditation at Queens College.

All courses are offered fully online to meet the diverse needs of today’s teachers. Courses combine synchronous activities (real-time video conferencing) and asynchronous activities (communication occurring at different times) that provides students flexibility and convenience for an overall in-depth learning experience in FCS education.
