KEYNOTE ADDRESS

Freda S. Johnson

Queens College Foundation Trustee and Board Member, Northeast Women in Public Finance

PRESENTATION OF CERTIFICATES

Special thanks to the Aaron Copland School of Music.

KEYNOTE SPEAKER

Freda S. Johnson

Freda S. Johnson spent her entire professional career in the public finance industry. The first half of that career consisted of her significant tenure at the rating agency, Moody's Investors Service, first as a municipal bond rating analyst and then as head of the Public Finance Division for twelve years. She was the first woman at any rating agency to hold this position and the first woman executive vice president at Moody's. For many years, she was the most senior woman of approximately 40,000 employees at the Dun & Bradstreet Corporation, which owned Moody's until it went public.

The second half of her career was as president of Government Finance Associates, Inc. (GFA), an independent public finance advisor consulting on debt and financial management and strategic planning for large and complex state and local governments and public authorities such as the states of Alaska, Louisiana and Vermont, the Massachusetts Port Authority, the Detroit Metropolitan Airport Authority, the American Red Cross, and many others.

Freda has been honored by *The Bond Buyer*, the daily publication of the public finance industry, and Northeast Women in Public Finance (NEWPF), which together annually present an award in her name to two trailblazing women in public finance—one from the public sector and one from the private sector. Past winners of the Freda Johnson Award include Denise Nappier, treasurer of the State of Connecticut; Gina Raimundo, governor of Rhode Island; Katano Kisaine, director of finance, City of Oakland, California; Carole Brown, CFO of the City of Chicago, and Fiona Ma, treasurer of the State of California, among others.

Freda is a founding member of NEWPF, for which she also serves on the Board of Directors and, until recently, on the Executive Committee. She also started NEWPF's mentoring program. She is a member of the Board of Trustees of the Queens College Foundation, is active with Carnegie Hill neighborhood groups, and is on the Board of Directors of Tri-State Maxed Out Women's PAC, which works to expand the participation of women in our government.

In 2021, she was elected to the Vestry of the Church of the Heavenly Rest on Fifth Avenue and 90th Street, where she co-chairs a task force on inclusivity. She is the editor and marketing guru for her husband, J. Chester Johnson, who writes both poetry and nonfiction. She has also been a member of the Board of Directors of Four Way Books, a selective publisher of poetry and short fiction, and the co-chair of the Senior Program Committee of the Harvard Business School Club of New York. She was an adjunct professor at the Columbia University Graduate School of Business, past president of The Municipal Forum of New York, and treasurer of the National Board of Directors of The Transition Network, a not-for-profit organization which works to promote women.
