KEYNOTE SPEAKER

Kenneth E. Newman

*Associate General Counsel and Assistant Secretary/Chairman of Competition Law Group,
The Walt Disney Company*

Ken Newman is associate general counsel and assistant secretary of The Walt Disney Company and chairman of its Competition Law Practice Group. Ken joined Disney in 1995, starting out as vice president, Eastern Regional Counsel and assistant secretary of the company; he was promoted shortly thereafter to senior vice president and was named associate general counsel in 2012. Reporting directly to Alan Braverman, Disney's General Counsel, Ken has responsibility for all competition and consumer protection matters worldwide for all Disney business units. He also led the regulatory clearance process for all major mergers and acquisitions, including the acquisitions of 21st Century Fox, Pixar, Marvel, Lucasfilm, and many foreign transactions. He has appeared as Disney's representative before regulatory agencies in the United States and abroad—including the U.S. Department of Justice, Federal Trade Commission and Federal Communications Commission, European Commission, United Kingdom Competition Commission, the French Conseil de la Concurrence, the Competition Commission of India, Korea Fair Trade Commission, and others. He has also worked closely with all segments of the company to enable them to pursue important strategic initiatives while minimizing legal risks.

Before joining Disney, Ken was a partner in the international law firm Donovan Leisure Newton & Irvine. At Donovan Leisure, Ken represented some of the world's largest companies in antitrust, securities, and complex litigation matters, including Disney, Mobil Oil Company, American Cyanamid Company, General Electric, Kidde, and Tenneco Automotive—often working with top management of those clients on sensitive, impactful issues. He has been lead trial counsel in numerous jury and bench trials in federal and state courts throughout the country and has argued before appellate courts nationwide. He also represented multi-national clients in government investigations before enforcement agencies and served a term as the firm's managing partner.

Ken started his career as a trial attorney in the Antitrust Division of the United States Department of Justice as a member of the Attorney General's Honor Program, where he handled criminal and civil cases in courts around the country.

He graduated with honors from St. John's University Law School. He was editor of the *St. John's Law Review*—the first student in the history of St. John's evening division to be elected to the Law Review—and a St. Thomas More Scholar. He received a Bachelor of Arts degree in political science and economics from Queens College of the City University of New York. Ken is a long-time member of the Board of Directors of Junior Achievement of New York.
