

# UNDERGRADUATE PSYCHOLOGY COMMITTEE NOW ACCEPTING NEW MEMBERS!

## Interested in Improving the Undergraduate Psychology Experience?

We are a committee lead by students committed to improving the experience of undergraduates in our department! This committee aims to support, serve, and advocate for the needs of undergraduate psychology and neuroscience students.

Over the last two years, we have regularly met with department leadership and faculty, have created numerous resources that tackle student interests in research, graduate education, careers, experiential learning experiences, and have lead workshops on these topics.

We hope to continue serving students and are looking for new members to join our team this semester! Please see our survey link [here](#) or in our overview panel. We are looking forward to hearing from you!

Additional inquiries can be sent to our email at [qcpsychcouncil@gmail.com](mailto:qcpsychcouncil@gmail.com).
