

CUNY STUDY ABROAD PROGRAM
in collaboration with
HELLENIC AMERICAN UNIVERSITY

STUDY ABROAD *in* GREECE

The Sociology of Food and the Mediterranean Diet

January 3–19, 2027

Course: SOC 240
Credits: 3

Examine how food shapes society, culture, identity, and health across the Mediterranean.

Explore the history, traditions, and social meanings of food through hands-on experiences, tastings, and local engagement.

Study on the Athens campus, just steps away from the city's major historic and architectural sites!

EXPECTED ITINERARY HIGHLIGHTS

- Visit the Acropolis and the Temple of Poseidon
- Uncover the Eleusinian Mysteries in Elefsina
- Experience the legendary oracle of Delphi
- Visit the ancient theater of Epidauros
- Participate in the Caritas Service-Learning Experience
