Housing	Students should apply for housing as soon as they submit their exchange applications! On-campus housing is first-come, first-served. Typically, all of our exchange students are easily able to obtain student housing, but we cannot officially guarantee this. Priority is given to Academic Year students. Spring students also have a higher chance of securing a dorm room. As mentioned above, our students are usually able to obtain a room; but this also depends on the number of residents in the dorm, so students should be open to off-campus housing, as well. Once a student receives a contract from the Summit, this means that he/she is guaranteed a room. • If you no longer want the room, DO NOT sign the contract. • Students who sign a contract with the Summit and then cancel are subject to a cancellation fee (at least \$1,000). Students who sign up for two semesters at the dorm will not be allowed to change housing from on-campus to off-campus after the end of the first semester. <u>On Campus Housing (The Summit Dorms)</u> <u>Academic Year 2026 – 2027 Prices:</u> • Shared Double Room: \$6,675 per semester • Single Occupancy Room: \$8,450 per semester
