

CUNY Study Abroad Program

The following study abroad program has been developed in collaboration with CUNY Queens College. Hellenic American University offers customized programs for its partners to meet specific learning outcomes, content requirements, and curricular needs.

A few words about HAU:

Hellenic American University operates two campuses; one in Nashua, New Hampshire and one in Athens, Greece and is accredited by the New England Commission of Higher Education (NECHE). The Athens Campus is located in a walking distance from the Acropolis, the Parliament, ancient Greek and Roman agoras, and the first modern Olympic stadium. Greece, the birthplace of democracy and cradle of western civilization, offers extraordinary opportunities for a rich learning experience. Yet, Athens is also a vibrant modern metropolis which remains affordable, safe, and friendly.
