

HOUSING & COURSE OFFERINGS

HOUSING

You have two options: Housing on campus or off campus.

On-campus Housing

On-campus housing is **not** guaranteed. It is on a first-come, first-served basis and preference is given to Academic Year students. Spring semester students also have a higher chance of securing a room.

That being said, our students are usually able to obtain a room; but this also depends on the number of residents in the dorm, so **students should be open to off-campus housing, as well, even though it is likely that they will obtain a room on campus.**

- If you are interested in staying in our dorms, please wait to hear back from the Summit before looking at different options (off-campus housing).

Academic Year 2025 – 2026 Prices:

- **Shared Double Room:** \$6,675 per semester
- **Single Occupancy Room:** \$8,450 per semester
 - **Dorm prices change every year and are likely to increase in the future.**

Students should complete an application to the Summit as soon as their exchange application is submitted.

- For **more information** about our **dorms**, please consult the following websites:
<https://www.qc.cuny.edu/sa/floor-plans/>
www.qc.cuny.edu/housing
- The **application** for the **Summit** is found [here](#):
 - Guarantor: You can put your parents here.

- Emergency Contact: If it does not allow you to insert an international number, use our office as the Emergency Contact: 718-997-4909

IMPORTANT NOTES ABOUT THE DORM

Once a student receives a contract from the Summit, this means that he/she is guaranteed a room.

- If you no longer want the room, DO NOT sign the contract.
- Students who sign a contract with the Summit and then cancel are subject to a [cancellation fee](#) (at least \$1,000).

Dorm Payment:

Queens College has several different payment options. For more detailed information about this, please consult [THIS LINK](#).

Students can pay in their currency via CUNYFirst. Wire Transfers are also possible.

Course Limitations:

- Exchange Students must be **Full-Time** at Queens College—**12 credits/units**, no more, no less.
- Exchange Students cannot take W Courses (writing intensive courses), unless they are native English speakers.
 - W courses are very writing intensive. Even English native speakers should not take more than 1 or 2 of these courses.
 - Sometimes exceptions are made for English majors.

- **Graduate Students:** Exchange Students cannot take Graduate Courses, even if they are pursuing a Master's Degree in their home country. Graduate students must take Undergraduate courses.
- **Education Students:** It is important to note that the Education Department is one of the only departments for which we cannot guarantee classes. It is one of the biggest departments in the school, and priority is given to seniors. Once the students are admitted, we can work with the department and try to get them classes. But it is important that they be flexible with their classes and have back-up classes from different departments, just in case. (There are also Education courses in other departments such as Music, Sociology, Psychology, etc.)
- **Computer Science** classes are not guaranteed.
- **The BALA (Business) Department** may have restrictions on the number of BALA courses one student can take
- **Music Courses:** In order to take Music Courses, you must be majoring in Music at your home university. You will have to audition for our Music School. Complete the Music Major Questionnaire with your Application and someone will reach out to you with more information.
