III . Course Description and Objectives (1 course = 3 credits)

This course is intended for students who have BASIC knowledge of the Korean language. It aims to give students an understanding of the Korean language and to help acquire a beginning level of communicative competency in modern Korean. Students will learn necessary themes and useful functions in daily life. Through the practice of listening, speaking, reading and writing, students will learn how to carry out basic conversation on topics of daily life, to comprehend basic structure of Korean texts and to write about one's own everyday life at a beginning level. Korean classes are basically conducted in Korean, and explanations are given in English if necessary.

IV . Grading

Final Exam	:	40%
Performance Assessment	:	20%
Assignments	:	20%
Participation	:	20%
