In response to the COVID-19 pandemic, ***all our seminars will continue to be offered in an Instructor led online only format.***

You must login with video on as this is how attendance will be taken. It is recommended you login to class using a computer (laptop or desktop); if you use a mobile device you will not be able to share your screen and the instructor will not

Below are the requirements to facilitate these online seminars: Students MUST have access to:

Broadband Internet

A computer operating on Windows 10 or MAS OS (Sierra or later)

A microphone and webcam
