

The primary goal of ACE QC is to support students who have transferred to QC with an associate's degree in completing their bachelor's degree within two years. To meet the goal of completing their degree within two years, students in specific majors must have already completed certain gateway courses before transferring to QC and joining ACE QC. For inquiries about eligible majors and program criteria, please contact ACEQC@qc.cuny.edu.

Notes:

- Satisfactory completion includes minimum grade as required by major. Refer to department or [QC Undergraduate Catalog](#).
- Complete the required steps as early as possible if their intended major requires a formal application and/or meeting with a faculty advisor/director in the program. Review departmental websites for instructions on submitting applications and/or scheduling a meeting with a faculty advisor/director.
- Review your [CUNYfirst](#) account for your transfer evaluation. [CUNY Transfer Explorer](#) (TREX) is another helpful tool to help you understand the transfer of credits between CUNY colleges.
- [Major declaration](#) must be completed within the first week of classes.
