**Important notice of possible changes:**

The City University of New York (CUNY) reserves the right, because of changing conditions, to make modifications of any nature in the academic programs and requirements of CUNY and its constituent colleges without advance notice. Tuition and fees set forth in this publication are similarly subject to change by the CUNY Board of Trustees. CUNY regrets any inconvenience this may cause.

Queens College of the City University of New York does not discriminate on the basis of race, color, national or ethnic origin, religion, age, sex, sexual orientation, transgender, disability, genetic predisposition or carrier status, alienage or citizenship, or veteran or marital status in its student admissions, employment, access to programs, and administration of educational policies. The college reserves the right to deny admission to any student if, in its judgment, the presence of that student on campus poses an undue risk to the safety or security of the college or the college community. That judgment will be based on an individualized determination taking into account any information the college has about a student's criminal record and the particular circumstances of the college, including the presence of a child-care center, a public school, or public school students on the campus. Inquiries should be directed to the Director of the Office of Compliance & Diversity Programs, Queens College, 65-30 Kissena Blvd., Queens, NY 11367-1597.
