

# PEDAGOGY POP-UPS

Pedagogy Pop-Ups are a space for faculty to engage in peer-based discussion about teaching and learning at Queens College.

## Locating Ourselves in Queens: Who are our Students?

**Monday, October 6, 2025**

12:30 p.m. - 1:30 p.m.

**Presenter: Lizandra Friedland**

(Office of Institutional Effectiveness and Adjunct Faculty, Philosophy)

How can learning more about Queens College students impact our teaching strategies?

Join us for a conversation about our QC students who are members of our campus, communities, and neighborhoods in Queens and beyond.

We will begin with a presentation about QC students and their needs and interests. We will then talk together about how this data can inform our approaches to teaching and the connections we make between our classroom, campus, and community.

We invite you to join the conversation! Bring your questions, concerns, strategies, and stories!
