# GETTING STARTED WITH
# BRIGHTSPACE

## ✅ FACULTY CHECKLIST

### 1  PREPARE AND PRACTICE

- Log into Brightspace: www.cuny.brightspace.com.
- Create a practice site to learn and explore to get started.

Practice Sites ⌄

**Create a New Course!**

In just a couple steps, you'll be up and running with a new empty course shell that you can then enroll students into.

Get Started

### 2  LEARN & PLAY

- Watch instructor videos for added support.
- Create an account and join the Brightspace Community.
- Register for Brightspace training.

**Brightspace Resource for Instructors**
TRAIN_BRS_INST

### 3  WORK WITH MIGRATED COURSES

- Course migration from Blackboard to Brightspace is made easy.
- Review our Working with Migrated Courses Guide to optimize your courses.

### 4  TEACH IN BRIGHTSPACE

- Set up courses with student support materials, align schedules, and start teaching in Brightspace!

CUNY — THE CITY UNIVERSITY OF NEW YORK
