GETTING STARTED WITH BRIGHTSPACE

FACULTY CHECKLIST

1. PREPARE AND PRACTICE
   - Create a practice site to learn and explore to get started.

2. LEARN AND PLAY
   - Complete the self-paced Brightspace Resource Course for Instructors.
   - Create an account and join the Brightspace Community.
   - Register for live Brightspace training.

3. WORK WITH MIGRATED COURSES
   - Course migration from Blackboard to Brightspace is made easy.
   - The Brightspace Instructor Tutorials help you to customize your class environment.

4. TEACH IN BRIGHTSPACE
   - Set up courses with student support materials, align schedules, and start teaching in Brightspace!
