

FACULTY SERVICE:

STRATEGIES TO RECOGNIZE AND COMMUNICATE OUR CONTRIBUTIONS

on

MARCH 26TH, 2025

12:15-1:30P

Join us for a panel discussion about faculty service on the way to tenure, promotion to Associate Professor, and CCE.

Speakers include **Susan Davis** (Professor, Music), **Maria DeLongoria** (Associate Provost for Academic and Faculty Affairs), **Kate Pechenkina** (Dean of Social Sciences), **François Pierre-Louis** (Chair and Professor, Political Science) and **Schiro Withanachchi** (Director and Lecturer, BALA).

What counts as faculty service? How do we recognize the contributions we make to support our students, departments, the college community, our scholarly fields, and beyond? How do we communicate these efforts to others? What strategies support us to engage in service in ways that align with our broader goals as educators and scholars?

**All are welcome, but note that this event will focus on the tenure, promotion to Associate Professor, and CCE processes. A future event will center faculty who plan to apply for Full Professor.*
