Spring 2026 Registration and Financial Aid Disbursement Processes

Your registration as of February 1st at 11:59 pm will be used to determine your financial aid eligibility for the semester. You must enroll in all your classes for the term by February 1st at 11:59 pm. Your financial aid eligibility is contingent upon the classes you are registered for by February 1st.

Direct Stafford Loans: Eligible Undergraduate and Graduate students registered for less than 6 credits on February 1st at 11:59 pm will be disqualified.

Adjustments and Appeal Process

If an exceptional circumstance requires you to adjust your schedule after February 1st that impacts your financial aid, you may want to consider contacting the department offering the course; they may be able to work with the Registrar and Financial Aid offices to adjust your registration and financial aid. Please note that exceptions will be granted only for legitimate extenuating circumstances so you should make every effort to complete your registration by February 1st.
