

New Student Roadmap: October!

Explore Majors, Career Paths, and Opportunities

- Meet with an FYE Peer Mentor to learn about academic programs and opportunities related to your interests.
- Declare a major (if ready) or develop a plan for choosing one.

Strengthen Academic Success Skills

- Review your academic progress and future plans by meeting with an Academic Advising Center (AAC) advisor.
- Visit the QC Learning Commons and/or Writing Center to prepare for midterms, review challenging course concepts, and receive feedback on assignments.
- Meet with a QC librarian to locate scholarly sources and access research databases for course assignments.

Build Your Campus Community

- Participate in a volunteer opportunity on campus like Civic Engagement or Knights Pantry.
- Learn how Counseling Services can support stress management, wellbeing, and personal challenges that may arise during the semester.
