

New Student Roadmap: September!

Meet an **FYE Peer Mentor** to discuss your transition to college, identify resources that match your needs, and create a plan for a successful semester.

Learn how **Financial Aid** and the **Bursar's Office** can help you understand your financial aid, tuition bill, and payment options.

Visit a **professor** during office hours to introduce yourself, ask questions about the course, or seek guidance on course expectations.

Meet with an **FYE Peer Mentor** to develop study strategies for managing your time, staying organized, and building study habits that support your learning style.

Visit the **QC Learning Commons** and/or **Writing Center** to receive tutoring, writing support, and help with course assignments early in the semester.

Visit the **Center for Career Engagement & Internships** to explore majors and careers, and learn how to use **Handshake** to access jobs, internships, and career events.

Visit the **Office of Honors & Scholarships** and explore its website to learn how to apply to internal scholarships and any other funding opportunities available to QC students.

Explore **UKnighted** and/or attend the **Club Fair** to connect with students who share your interests and discover opportunities to get involved outside of the classroom.
