Guide to Completing the AC 2772 Direct Deposit Form for NYS Employees

If you are an employee of NYS hired on or after January 1, 2023, the DIRECT DEPOSIT FORM FOR NYS EMPLOYEES (Form AC 2772) is required to be completed regardless of Direct Deposit participation.

If you would like to begin Direct Deposit or modify how your funds are distributed, you must complete Form AC 2772 with your banking information. If you are a new NYS employee hired on or after January 1, 2023, full Direct Deposit (Balance Distribution) is required. Once it is processed, the distributions you specify on the form supersede all previous Direct Deposit information you have completed in any job paid by New York State. Your pay for all jobs will be deposited according to your most recent AC 2772 on file. Below are guidelines to follow when completing the form.

Section A:
Section A must be completed in its entirety with your personal information. This will be used by the agency to help verify your identity and ensure your account information is added to the correct payroll record.

Section B:
This section should only be completed for employees hired on or after January 1, 2023 if the employee is claiming an exemption from the provisions pursuant to State Finance Law, Chapter 56, Article 14, §200(4). If you are electing an exemption from full Direct Deposit, the exemption should be completed.

Section C and D:
Sections C and D must be filled out with your bank information. Examples are provided below demonstrating how to complete these sections for different types of Direct Deposit transactions and combinations of transactions. Your name must appear on the account. A voided check or written verification from the financial institution showing your name and account information is required for verification.
