

AGENDA

Date: Wednesday, November 2, 2022 | Time: 10:00 am – 2:00 pm
 Location: Queens College, Music Building Atrium

Queens College Tech Day is a showcase of our partners who assist with the technology available for both on campus and distance learning modalities. The day will include presentations from Microsoft, LinkedIn Learning, Amazon Web Services, EAB Navigate, Gartner, and SpeakHire. This event is open for all students, faculty, and staff in the QC community to learn how to leverage the available technology at QC to increase productivity and network with industry experts.

Tech Day will be a hybrid event, with limited in-person capacity. Register today to save your spot!
