ROOM ASSIGNMENTS, ROOM CHANGES, AND SUITEMATES

Please note we are unable to make changes to your room or building assignment. A room transfer freeze period is in effect from the time your initial assignment is made until two weeks into the fall semester. The freeze allows us to locate all available spaces. Beginning on Tuesday, September 6th, you may submit your request for a room change. In some cases, suitemate information and assignments may change due to unforeseen needs for relocation. Should this occur, we will make every attempt to contact you as soon as we are aware of a change.

CONTACTING YOUR SUITEMATES FOR THE FIRST TIME

Meeting and living with your new suitemates is an exciting experience that can enhance your time at Queens College. We encourage you to contact your new suitemates as soon as you receive the notification. The two main things that you want to do in this initial communication are to introduce yourself and provide some information about yourself. This is also the time to exchange telephone numbers, e-mail addresses, etc., so you can discuss and coordinate with your suitemates what items each of you plans to bring.

It is natural to feel a little apprehensive about speaking with new suitemates for the first time. You will find that it is easier if you can be upbeat, positive, and respectful of their right to their opinions, and to expect some differences. The most important goal of the conversation should be to establish good communication between your suitemates and yourself so that you have a base to build upon when move-in day arrives.

PARKING PERMITS

You will receive a Parking Request Form via email. Guest passes are available upon request at the Main Gate. You must know your license plate number. The prices for student permits are as follows:

Surface (Lot 5) \$385

Summit Garage \$440 + \$25 garage key fee

PAYMENTS

Queens College Students: All payments for Housing will be handled through the Bursar's Office in Jefferson Hall. The Summit Apartments staff does not accept payments as the charges are on your CUNYfirst account. Payment Plans must be coordinated through the Bursar's Office.

Non-Queens College Students: Please stop by the Housing Office in the lobby to submit your payment or work out a payment plan.

INSURANCE

The University does not provide insurance for you or your property. You are encouraged to check your family homeowners' and health insurance policies or to carry your own insurance. Two insurance companies that specialize in providing renters insurance for college students who live away from home are listed below.

National Student Services Incorporated:

CSI Insurance Agency Incorporated:

POLICIES AND PROCEDURES

The University Housing Guidebook outlines residential policies and expectations within your community. The Guidebook is available on-line and can be found on our website <http://queenscollegehousing.com>; click on EXPLORE then find RESIDENT HANDBOOK under the CURRENT RESIDENTS heading. Please be sure to review this information, as you will be held responsible for the information contained within this document. You will be expected to attend a Floor/Hall meeting with the other residents in your community soon after arrival. Floor Meetings for students will be during the evening of Move-In day or soon thereafter. The purpose of this meeting is to aid you in getting to know those living around you, meet your RA, and get a basic introduction to Campus Housing and its policies and procedures. It is also an opportunity to ask the staff any questions you may have.

PEOPLE YOU WILL MEET

Knowing where to go and who to talk to is an important first step to make your experience at Queens College as rewarding as possible. There is an extensive network of people awaiting your arrival. In the Housing Office at The Summit Apartments, the most important people to know include:

Sean Pierce, **DIRECTOR OF HOUSING & RESIDENTIAL LIFE** lives in the building, oversees the administration of your community, and supervises all of The Summit Apartments staff. The Director is a full-time, professionally trained staff member who provides close attention to you and your residential experience.

Craig Blodgett, **ASSOCIATE DIRECTOR for RESIDENTIAL LIFE**, is a full-time staff member who's primary responsibility is to directly supervise the RA staff and share the duty coverage responsibilities. Additionally, you will find him in the office with various administrative tasks and projects.

Cheyenne Madrid, **HALL COORDINATOR**, is responsible for supervising the RA staff and assisting with both small and large scale programming efforts for the residents.

Sharon Khan, **ASSISTANT DIRECTOR for ACCOUNTS RECEIVABLE**, is responsible for tasks associated with financial collections of student housing accounts and maintaining our social media accounts.

Barbara O'Neill, **ASSISTANT DIRECTOR for OPERATIONS**, is responsible for overseeing the room assignments and current resident accounts.

Ivonne Maldonado, **OFFICE COORDINATOR** is a full-time professional staff member who oversees the daily functions of the office, work order processing and other administrative tasks.

Ed Doxey, **MAINTENANCE SUPERVISOR**, Willie Rodriguez, **MAINTENANCE TECHNICIAN**, and Tyrone Turner, **CUSTODIAN**, are our very own caretakers for The Summit Apartments! They oversee the work order and repair process, keep our facilities clean, as well as coordinate any summer renovation projects that may be taking place.

Your **RESIDENT ASSISTANT** (RA) is a student, just like you, who is specifically selected and trained to work with other students to establish a community for you and those who live around you. The RA can assist with roommate conflicts, maintenance concerns, refer campus and community resources, and other items of interest.

The **HOUSING OFFICE** is located in the lobby. The office is open, Monday through Friday, from 9:00 am until 5:00 pm, as well as from 8pm until 11pm seven days a week, to serve your needs and assist you with any issues or questions that you may have.
